

HuishEpiscopi

16th May 2017

Dear Parent/ Carer,

As part of our preparations for the exams in English, Maths and Science we are rearranging the revision sessions for the week beginning the 22nd May.

- **Tuesday:** Science revision (Exam on Wednesday Physics P1. This is only for Triple Students and 8 students who didn't sit the exam last year.)
- **Wednesday:** Maths revision (Exam on Thursday Maths Paper 1 Non-calculator)
- **Thursday:** English Literature revision (Exam on Friday English Lit: Blood Brothers and Poetry)

Revision sessions will run after school in the normal rooms until 4.30pm. We would all strongly encourage students to attend these sessions where they will be able to ask questions and be reminded of the top tips for their exams.

Finally, a reminder that there are lots of revision materials on the Year group classroom as well as individual teacher classrooms.

Yours faithfully,

Michelle Evans, Paul McSparron, Mary Singleton
Heads of Subject: Maths, Science and English
