

Signing 'in' and 'out'

We require all visitors and contractors to sign 'in' when entering the Academy and sign 'out' on departure.

Failure to do so creates a health and safety risk to the individual and to others.

Incidents of Bullying and/or incidents of Racism

All staff are responsible for investigating and reporting incidents of bullying or racism to a senior member of staff. They in turn are responsible for maintaining records and informing appropriate agencies.

During your visit, if you encounter, or are made aware of any incident involving either bullying or racism, please inform a member of staff.

Don't think "what if I am wrong"
think "what if I am right"

When and what might I be concerned about?

At any time you may be concerned about information which suggests a child is being neglected or experiencing physical, emotional or sexual harm.

You should report any of the following signs:

- Unexplained injuries, bruising or marks
- Fear, watchfulness, over anxiety to please
- Comments about sexual activity or inappropriate sexual knowledge/behaviour
- Unexpected reactions towards people (fear/wariness)
- **Withdrawn anxiousness behaviour** . lacking in self-belief/confidence
- Unwillingness to communicate or repetitive nervous behaviour
- Signs of neglect e.g. unsuitable clothing, poor hygiene, and pale or fatigued.

Please report anything that causes you concern—no matter how minor it may seem

What should I do if a child/young person makes a disclosure?

1 Receive

Listen carefully to what is being said and do not interrupt. Be calm, attentive and non-judgmental.

Remember 'TED' Tell, Explain, Describe

2 Reassure

Reassure them that you will talk to a person who can help, they have done the right thing by telling you, what has happened isn't their fault.

Never promise to keep what is said a secret and make sure you pass the information on to one of the Child Protection Leads immediately.

3 Respond

Explain what will happen next

4 Record

The information you have may not be enough on its own for a Child Protection referral, however it will help to make a decision about risk of harm to the child.
