

Careers/Futures Advice and Guidance at Huish Episcopi

Dear Year 11 Students

As you now entering the final phase of your time at Huish you will also need some help and support in considering your next steps. Below you will find some sources of information for you to consider. The key message for all students to understand is that there is always independent careers/futures help available for you!

Careers Library:

The Careers Library (within the Resource Centre) has a range of books, magazines and prospectuses designed to help you make the right choice. It is available each lunchtime.

Careers Clinic:

A drop-in careers clinic is held every Tuesday lunchtime in the Careers room in Huish 6th, run by Emma Higman.

IT Software - Kudos Inspire:

Launchpad/Kudos Inspire are web based careers software packages that can be used either at home or in the Academy to help make appropriate futures choices.

Careers Guidance – introducing Emma Higman Independent Careers Adviser

My name is Emma Higman and I am a Careers Adviser working in Huish Academy. I am available in the Academy on Tuesdays and Thursdays to offer impartial careers information, advice and guidance to students in Years 9-13. I am based in the Careers Room, downstairs in Huish 6th.

If you would like an appointment to discuss your career ideas or if you are having difficulty choosing your next steps, ask your tutor or Mr Barratt to arrange a careers interview for you. I will then make an appointment to see you. Alternatively drop in to see me at my lunchtime clinic on a Tuesday lunchtime.
