

Mark Lawrence
Parent Elected Director

I have a daughter in Year 7 and a son who will hopefully be joining Huish Academy next year. I have worked in education for over 17 years. I am currently the Acting Headteacher of a Secondary Academy, this role gives me a wealth of knowledge of Academy life including, governance matters and accountability, finance, school improvement, teaching and learning, curriculum, Ofsted, Safeguarding and pastoral structures and function. Until Summer 2019 I was the lead Governor for Secondary education at Yeovil College where I was able to extend my knowledge of education beyond secondary level to Post 16 and adult education. I recognise and understand the importance of strong governance in the current educational landscape and feel I could offer a lot of expertise in support of Huish Academy over the coming years.
