

MR O WALBY
STAFF DIRECTOR

My name is Ollie Walby and I'm delighted to have joined the Board of Governors at Huish Episcopi Academy. I have previously served as a Governor at Crispin, where I worked for sixteen years prior to moving to Huish over the summer. I am excited by the opportunity to contribute to Huish Episcopi Academy both my experience and enthusiasm. I look forward to working with all stakeholders to support and develop the future of the Academy.
