## Uniform Rationale

Huish Episcopi Academy aims to give all students the foundations for a successful life by helping them to develop the skills and attitudes that will provide them with real life-chances.

We believe our Academy uniform achieves four important goals:

- High expectations and immaculate first impressions
- It encourages a sense of community identity and pride.
- It encourages our students to develop habits for life. By learning to polish their shoes, fold trousers or hang up their blazers, students learn the habits of discipline and personal responsibility as a smart appearance is an increasingly important aspect of modern life.
- It prevents unkindness or bullying while keeping costs down and making it cost effective for parents in the long run. By requiring all our students to wear the same low-cost uniform, we reduce the incentive for students to ask parents for the latest (and most expensive) items of fashion. Whilst in the Academy, this allows students to focus on their academic performance rather than on what they are wearing.

Our Academy aims to prepare students for a successful life and so an emphasis on taking pride in one's own appearance is an essential part of the educational process.

However, for our uniform policy to be successful, it must be implemented universally and without exception. We understand that, for some families, finances are tight. We believe that, by doing all we can to keep items of fashion out of school, we help families to keep costs down. Nevertheless, if you do have an individual problem, or you are unsure about an item of clothing, please do not hesitate to contact your child's Head of Year who will deal with your enquiry.

At Huish Episcopi Academy, we only allow skirts and ties and the Huish Episcopi Academy PE kit that are purchased through our supplier. This way we ensure that all our students look as smart and professional as each other. To limit prohibitive costs, blazers and jumpers can be purchased from a range of suppliers, providing they meet our expected standards.

Please note that some items are compulsory, whereas others are optional.

We give below some notes for guidance and clarification.

School uniform lists can sometimes seem over detailed and over particular. Our experience is that we prevent misunderstandings by being very precise about our requirements.

We do not wish parents to spend money on items we do not allow to be worn. It should be noted that not all items under 'school uniform' in some stores fulfil the school's uniform requirements.

The full support of parents is requested with regard to their children wearing the correct uniform. Please note: students must be in full uniform when travelling to and from the Academy as well as when in the Academy (except when permission has been given because of school educational visits)

## Shoes

Black formal leather/leather-style shoes. Non-sports footwear cannot be branded with sports logos. Trainers may only be worn for PE and must not be worn to / from the Academy unless for cycling.

If parents/carers are unsure as to whether a particular style will be accepted, they should check a picture of the shoe with the Academy before purchasing.

Some of our students may choose to wear headscarves for religious reasons. Headscarves must be black, grey or navy blue. Pins or clips must be small, dark in colour and understated. There can be no decorations such as sequins or patterns. Material must not be too long at the front or the back so as to obscure the uniform or look untidy. At the front, headscarves material must not cover the tie.

## **School Bags**

It is essential students can carry all their necessary equipment with them. A good-sized backpack is found to be very convenient by most students for carrying A4 sized books and folders, equipment and outside coats.

Fashion bags are not suitable for carrying textbooks and school equipment. Bags should be practical for school.

## **Coats and Outdoors Wear**

Sensible outdoor coats are recommended which are appropriate for the weather and time of year.

Hats, gloves and scarves can be worn outside in the winter months.

Baseball caps are not acceptable.

## **Cyclists**

Cyclists should be wearing full Academy uniform when riding their bicycles. They should not cycle while listening to a personal music device. All students cycling to the Academy must wear helmets.

## **Expectations**

All students are expected to appropriately wear the full Academy uniform from the moment they leave their home in the morning until they arrive home in the afternoon. Students are representing the Academy at all times and should be proud to be part of the Academy community. Any student bringing the Academy into disrepute will receive sanctions as in-line with our Behaviour Policy.

In cases where the presentation of a student's uniform is not in line with the high standards expected, students will work in the Recovery Room until the issue is resolved. It is the responsibility of the parent / carer and the student to ensure that such situations are avoided.

During periods of hot weather, adjustments to the school's uniform policy can be made at the discretion of the principal.

## **Medical notes for uniform**

If a student has a medical reason for the need to wear modified footwear, a medical note supplied by a doctor or medical practitioner must be provided.
