The HEA Curriculum

Our vision for English at HEA

Our English curriculum is designed to inspire a lifelong passion for literature and the power of words; fostering empathy, tolerance, and a profound understanding of the world with a core emphasis on social responsibility and challenging intolerances.

By linking literature with real-world experiences, we aim to cultivate thoughtful, knowledgeable, and open-minded individuals who are equipped to engage meaningfully with society. We strive to develop our students' abilities to communicate their ideas effectively and confidently in various contexts, understanding that language is power and that enriching their vocabulary enriches their lives. Through a deep study of diverse texts and ideas, our curriculum encourages students to practice empathy and to appreciate literature as a continual source of wisdom and consolation.

Our vision is for students to leave our school not only with a deep love of reading and an appreciation for literature but also with the skills and confidence to communicate successfully in any situation. By studying English, they will explore the intricacies of humankind, relationships, different cultures, and societal norms - enabling them to grow into well-rounded members of society who understand and can navigate the world around them with insight and compassion.

The HEA Curriculum

Curriculum Overview

Year 7

Year 7	
Autumn 1	<i>The Girl of Ink and Stars</i> To inspire a love of reading and English skills around reading and writing about texts. There will be a significant focus on creative writing as well.
Autumn 2	<i>A Midsummer Night's Dream</i> A challenging text but one that will encourage and enjoyment of Shakespeare through a comedy. Expose students to the rigor of Shakesperean language.
Spring 1	<i>Oliver Twist</i>
Spring 2	Challenge of a 19th century novel. Abridged to allow students to get through the whole text but using original extracts to challenge. Exploration of social responsibility and a platform towards the study of Dickens at KS4.
Summer 1	<i>Anthology: Conflict (Non-fiction & Poetry)</i>
Summer 2	Using topical texts related by theme to analyse and as stepping stones to students developing their own voices. Year 7 will develop spoken language skills through class and group discussion activities as well as performance poetry.

Year 8

Huish Episcopi Academy

The best in everyone™

Part of United Learning

The Huish Lesson

Assessments

- Regular subject assessments (at least once per term) - used to inform end of term reports
- Mid-year assessments (January): United Learning assessments in English, Maths, Science, History, Geography, MFL
- Summer Exams (June): end-of-year exams taken in all subjects.

Huish Episcopi Academy

The best in everyone™

Part of United Learning

Feedback and Assessment - Reporting

Parents/Carers will receive 3 reports each academic year, at the end of each large term.

Staff will report on a student's Attainment, Progress, Attitude to Learning and Homework.

Mid-Year grades will be reported separately after the February half-term.

There is one Parent Consultation Evening for each year group, alongside a 'Meet the Tutor' Evening in September.

Homework

- **5+ months** additional progress (Education Endowment Foundation)
- Specific tasks to consolidate and practice essential knowledge:
 - Knowledge organisers
 - Practice and application tasks
- Supportive homework detention for non-completion
- Homework club after-school every day in the Library

Huish Episcopi Academy

Knowledge Organiser Example: Science

Concise and simple definitions, so they are easier to learn from memory

Organised into tables, so that self-quizzing (look/cover/write/check) is easier

Huish Episcopi Academy Year 11 BIOLOGY Knowledge Organiser Unit B7 ECOLOGY

Unit 1. Ecosystems		
1	Habitat	The area in which an organism lives
2	Individual	Single organism
3	Population	Collection of organisms of the same species in a habitat
4	Community	Collection of populations in a habitat
5	Ecosystem	The interaction of a community of living organisms (biotic) with the non-living (abiotic) parts of the environment
6	Competition	Plants compete for light, space, water and mineral ions. Animals compete for food, mates and territory
7	Interdependence	Within a community each species depends on other species for food, shelter, pollination etc
8	Adaptations	A feature an organism has that allows it to survive in its ecosystem
9	Biotic factors	Availability of food, new predators, new pathogens, other species outcompeting each other
10	Abiotic factors	Light intensity, temperature, moisture levels, oxygen levels, wind intensity, carbon dioxide levels, soil pH

Unit 2.		
1	Biodiversity	The variety of all the different species of organisms in an ecosystem
2	Factors that reduce biodiversity	Destruction of peat bogs, destroying habitats, releasing carbon dioxide into atmosphere (global warming), pollution, deforestation
3	Maintaining biodiversity	Breeding programmes, protection and regeneration of habitats, keeping hedgerows in farmers' fields, reduction of deforestation and carbon dioxide emissions, recycling rather than using landfill

Unit 3. Sampling technique		
	Random quadrat sampling	Transect line
Use	Used to count total number of organisms in an area	Used to see pattern of organisms e.g. through a forest/across a river
Method	- Randomly place quadrat (to avoid bias) and count number of organisms. - Repeat 10 times and calculate a mean. - Work out area of field and area of quadrat. - Calculate total organisms by multiplying mean by number of quadrats that could fit in field	- Place a transect line using a 30m tape measure - Place the quadrat at 0m and count organisms. Record distance and organism number in table - Move quadrat to 5m and repeat, moving 5m each time - Plot a graph to see pattern of results

Images only used if essential and helpful for learning, such as a diagram

Online Platforms

AT HEA, we utilise Office365 and therefore MS Teams. Students should now log in to all platforms with an email address ending in @huishepiscopi.org

Arbor – Our management information system.

- Get the app to check timetables, attendance, house points, detentions etc.

MS Teams – Our main educational platform.

- Guardian summaries are automatically setup by classroom teachers.
- Receive weekly overviews of assignment completion each Sunday.

Sparx – Our online interactive platform for Maths/Science

- Guardian summaries are automatically setup by classroom teachers.
- Receive weekly overviews of assignment completion

For support, please email HuishICT@hea.ac.uk

Mobile phones and smart devices

- From September, schools in England are legally required to prohibit the use of mobile phones.
- All students in Years 7–11 will be expected to keep their mobile phones and other smart devices:
 - ☐ Switched off
 - ☐ Stored in their school bag throughout the school day
- If a phone or smart device is seen throughout the school day, it will be confiscated and taken to reception for parents/carer to collect.
- Refusal to hand over a mobile phone or device will result in a suspension.
- Procedure to be reviewed at October Half Term.

Huish Episcopi Academy

The best in everyone™

Part of United Learning

Attendance

- Here at Huish, we place the highest importance on excellent attendance and we respond to poor attendance with a graduated response.
- We expect all students to attend school every day they are well enough to do so.
- Our minimum attendance target is 97% across the academic year. While this may sound demanding, it is important to understand what the percentages represent in real terms. Missing just over 5 school days equates to around 25 lessons lost. If a pupil's attendance were to drop to 90%, this would mean 19 days of learning missed (the equivalent of approximately 95 lessons).
- Every lesson matters. Each absence has a direct and measurable impact on progress, reducing a child's ability to achieve their very best. This is not just theoretical; our recent GCSE data clearly demonstrates the link between high attendance and strong outcomes.
- At Huish, we are committed to working with families to ensure that every student has the best possible chance to succeed, and excellent attendance is a key part of that success. If there are barriers to your child's attendance, please reach out to their tutor or Pastoral Support Worker.

Huish Episcopi Academy

The best in everyone™

Part of United Learning

Attendance and Outcomes

	All subjects 4+	All subjects 5+	All subjects 7+
Below 90%	57%	44%	14%
90% - 97%	82%	69%	28%
Above 97%	94%	89%	51%

As this data shows, the higher a student's attendance, the stronger their outcomes.

Students attending above 97% significantly outperform their peers with lower attendance. Even small drops in attendance can result in many lost lessons, and the impact on grades is clear.

Huish Episcopi Academy

What are Special Educational Needs?

- A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.
- A child of compulsory school age or a young person has a learning difficulty or disability if he or she:
 - has a significantly greater difficulty in learning than the majority of others of the same age, or
 - has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions

SEN Code of Practice, 2015

How will all teachers know how to meet my child's SEN needs?

Pupil Passport – Harry White SEN Support (K)/EHCP

History

- Reading fluency difficulties
- Handwriting difficulties
- Difficulties with working memory will need frequent repetition and over-learning
- Reader and scribe for assessments

I can ...

Emotional regulation:

- Become more empowered in the classroom
- Feel confident in the classroom

Learning:

- Complete tasks successfully
- Improve my reading comprehension

If you...

Emotional regulation:

- Check in with me regularly to make sure I understand what's expected and have everything I need and praise me when I ask for help
- Take the time to get to know me as I relationships are important to me and celebrate my success – not matter how small

Learning:

- Chunk tasks into manageable steps with non-fading instructions and provide me with sentence starters, visuals and key words
- Ensure that the text is accessible with scaffolds and use visual images/dual coding to explain the main concept before reading the text as a class

How will my child's needs be met with targeted provision?

Levels of provision

Levels of provision. Adapted from Nasen (2020).

How will my child's needs be met?

What happens if my child is not making enough progress with targeted provision?

Levels of provision

Levels of provision. Adapted from Nasen (2020).

How much involvement will I have in the decisions about my child?

Message from the Head of Year 7

Mrs Robinson

Huish Episcopi Academy

The best in everyone™

Part of United Learning

Year 7 Key messages

- Thank you for the amazing start the children have made.
- Attendance is so vital to outcomes.
- Encourage children to get involved.
- Please talk to us if you have any concerns - don't let worries build up in the first few weeks
- Support:
 - Tutor is first contact – their name followed by @hea.ac.uk
 - Ms Aylett (PSW): NathalieAylett@hea.ac.uk
 - Mrs Robinson (HoY): ElizabethRobinson@hea.ac.uk
