Dear Parent(s)/Carer(s)

Remote learning

Please find attached a remote learning newsletter which aims to give more information about our approach to providing support for those students needing to learn at home.

In order to identify any students who may have difficulty accessing our online provision through google classroom, we would ask, **if you haven't already done so**, to please complete the short survey monkey questionnaire: <https://www.surveymonkey.co.uk/r/59ZB5QX>

Please see the attached 'how-to' sheets for both students and parents designed to help you use Google Classroom. These sheets provide handy tips, and instructions on finding homework and uploading documents.

The remote learning newsletter and 'how-to' information sheets are available on our website: <https://www.huishepiscopi.net/news/?pid=3&nid=1&storyid=24>

Mrs Gould-Haines has created two video tutorials for students and parents which gives you a basic introduction and enables you to see more of google classroom. We hope you will find these useful:
