Dear Parent(s)/Carer(s)

Google Classroom

Please see the attached spreadsheet detailing all Google Classroom codes.

Can you please ensure that your son/daughter has joined all Google Classrooms. This is important so that they can access work during a full or partial lockdown and to keep in touch with their tutor. If they need to add themselves to any classrooms they can do so using the codes shown on the spreadsheet, they should look at the class name on the first column and cross reference this with their timetable to locate the correct Google Classroom code. Please note that there are three tabs on the spreadsheet for individual classes, year group classes and forms.

Best wishes
