## **How to Access Student Support @ Huish**

## You have concerns about your child.

See below for issues we can help with

If your child's Head of House believes they need more support.

They will make a referral to our **Student Support Team** 

Get in touch with their tutor.

They will do their best to support your child but may refer to their Head of House if they feel more targeted support is needed

**Support Groups School Counsellor** 

**Parent & Family** 

**Support Advisor** <

**Student Support** Worker

> **Designated & Deputy Safeguarding Leads**

**Student Support Team** 

The Student Support Team meets once a week to look through referrals and allocate appropriate support for your child. You will be contacted if we feel we need to make a further referral to an outside

agency\*.
