

Transition Arrangements

All children moving from year 6 into year 7 have the same transition opportunities. Those children who join us from out of catchment begin the process a little later but receive the same programme. This is:

1. A one to one chat with Ms Robinson in the primary school – a chance to get to know each other and to discuss any concerns.
2. Treasure Hunt – an opportunity to look around the Academy when it is quieter after school, a chance to get to know the site.
3. Second primary visit from Ms Robinson – a class talk about rules and routines in the Academy, an opportunity to ask further questions.
4. Transition Day – a chance to experience a day at the Academy and try out some lessons.
5. Coffee Morning – just before school begins in September for parents and children who may need a little bit of extra support.

In addition to this, children are welcome to make as many additional visits as necessary. These can be arranged by contacting Ms Robinson – ERobinson@educ.somerset.gov.uk. This is also the email for any questions from children or parents. Please use this as much as you need.
