## Huish Sixth welcomes YR11 students to our Open Evening

Students will be able to visit all subject areas and take part in various activities to get a flavour of what each subject entails. Teachers will be on-hand to answer any questions that students and parents might have. YR12 and 13 students will be available to explain what subjects are like to study and why Huish Sixth is such a great place to learn.

There will also be refreshments including a taster menu and drinks from the Huish Sixth cafe.

We want visitors to get a real sense of what Huish Sixth is like, have time to speak with our YR12 and 13 student reps and hopefully see how amazing and special the Huish Sixth environment is.

*We ask that all visitors wear face coverings for the duration of their visit, unless exempt.*
