

15 July 2022

Dear Parents/Carers,

Following a consultation on the structure and timings of the school day and following the government guidance on opening for 32.5 hours a week from September 2023, I have taken on board many of the comments and suggestions offered by parents, pupils and staff and designed the timings for the school day set out below. These will be in place from September this year (2022).

As you will see, the start time remains the same, but the end of the day will now be 15.30 every day.

These changes have been made in order to facilitate a stronger tutor time programme in the mornings and afternoons, to allow adequate breaks in the day and to ensure positive behaviours in the afternoons. The duration of lunchtime has slightly improved on a Tuesday to allow pupils access to the canteen and extra-curricular activities.

Pupils will be informed of these changes in tutor time and assemblies.
