Dear Parents and Carers

### **Hot Weather Guidance - Temporary Adjustments to Uniform**

We have made allowances for the hot weather over the last few weeks. As this weather, fortunately for most, appears likely to stay for a while we have temporarily reviewed our approach to certain items in light of this.

#### **Blazers**

From today and until further notice: we would like students to arrive to school with their blazer, but they may take it off and carry it or put it in their bags and will not be challenged for not wearing it during the school day.

The reason we do not abandon blazers altogether is

- so that we can make the decision on a day-by-day basis about wearing them as the weather changes;
- they are available for formal occasions if necessary, and
- so that blazers remain a primary item of uniform and are not lost completely.

#### **Hats**

Hats are not part of our uniform but we will allow the wearing of sensible (not novelty) hats outside during break and lunch.

#### **Water**

We would encourage students to bring water with them to drink and there is the facility to re-fill water during rest periods in the day.

#### **Sun Cream**

As usual, we rely on parents and students themselves to take a sensible and cautious approach to sun cream and the use of shade during sunny periods.

Please do contact with any concerns or queries. Thank you for your ongoing support.

Yours sincerely

*R Madge*
